Dear John:

As I told you in my letter of 14 December, I passed your report, "The Soviet Empire", on to some of our Soviet specialists for further study. I thought that you might like to know that they found it most interesting from an intelligence point of view.

In order that some of our other people concerned with Soviet matters will have an opportunity to read your report, I wonder if you could let us have 3 or 4 additional copies. It would be most helpful and we would appreciate it very much.

With kindest personal regards.

Sincerely,

SIGNED
